Program

Preliminary Program *(subject to change)*

8:00 AM	Welcome	Terry Kim, MD, Donald TH Tan, FRCS
8:05-9:35 AM	Session I: Recent Advances in Cataract Surgery for the Corneal Surgeon	Moderators: Richard S. Davidson, MD, Sonia H. Yoo, MD
8:05	Blade Versus Laser for Astigmatism Correction	Kendall E. Donaldson, MD
8:14	Femtosecond Laser-Assisted Cataract Surgery in Patients With Prior Corneal Surgery*	Marjan Farid, MD
8:23	Managing Small Pupils in Conventional and Femtosecond Laser Cataract Surgery	Zoltan Z. Nagy, MD, PhD
8:32	White Cataracts: Manual Versus Femtosecond Laser	Juan F. Batlle, MD
8:41	Femtosecond Cataract Surgery in the Glaucoma Patient	Malik Y. Kahook, MD
	What Do I Do with the Intraocular Lens? (Case/Video Presentations)	
8:50	Correcting Astigmatism and the Role of the Posterior Cornea*	Douglas D. Koch, MD
8:59	Placement of an IOL in the Absence of Capsule Support*	Michael E. Snyder, MD
9:08	Evaluating Macular Structure and Function Prior to Multifocal IOL Implantation	Ivana Kim, MD
9:17	Management of Dysphotopsias Following Cataract Surgery	Jack T. Holladay, MD
9:26	Intraoperative Aberrometry—When Should I Use It and Rely	John Berdahl, MD
9:35	BREAK	
9:50-11:40 AM	Session II: Refractive Surgery: Screening, Surgery, and Beyond	Moderators: Natalie A. Afshari, MD, Christopher E. Starr, MD
Screening:		
9:50	Topographic and Tomographic Pearls: Let the Computer Do the Heavy Lifting of Screening	Michael W. Belin, MD
9:58	Biomechanics: ORA, Oculus, and Beyond: Should Biomechanics Be Standard of Care in Conjunction with Tomography in Laser Vision Correction Screening?*	D. Rex Hamilton, MD
10:06	Dry Eye and the Refractive Surgery Candidate: Diagnosis, Pre and Postop Management	Elizabeth Yeu, MD
	Surgical Section (Various Talk lengths 10 minutes per topic)	
	Point/Counterpoint*:	
Presbyopic Pearls:		
10:20	Corneal Inlays Versus Monovision	Guillermo Rocha, MD, FRCSC, Versus Richard L Lindstrom, MD

	10:30	Scleral Spacing versus Multifocal LASIK Ablation*	Barrie D. Solloway, MD
Enhance Perchance:			
	10:45	LASIK Enhancement: PRK On Flap Versus Flap Lift	Alan A. Carlson, MD, Versus Majid Moshirfar, MD
	10:55	Post-Premium IOL Enhancement: LASIK Versus PRK*	Sheraz Daya, MD, Versus Preeya K. Gupta, MD
Surface Scenarios:			
	11:05	Handling the Suspicious Cornea: No Surgery At All Versus Crosslinking + LASIK and/or PRK*	Farhad Hafezi, MD, PhD Versus Theo Seiler, MD, PhD
	11:15	Mitomycin C in All Cases Versus Never Use MMC	Parag A. Majmudar, MD Versus Roberto Pineda, MD
Special Report:			
	11:30	Cornea Donor Study	Edward J. Holland, MD
	11:40	Lunch	
12:45-2:30 PM		Session III: Current Management of External Ocular Infections: What Works, What Doesn't, and What Might	Moderators: Francis S. Mah, MD, Elmer Y. Tu, MD
	12:45	Methicillin-Resistant Staphylococcus Aureus Testing and Prophylaxis: Is It Worthwhile?	Stephen D. McLeod, MD & Peter J. McDonnell, MD
	1:01	Current and Future Trends in Parasitic Keratitis	Jeremy Keenan, MD
		Diagnosis and First-Line Treatments of Fungal Keratitis	
	1:08	The Role of Imaging, Scraping, and When to Use Natamycin*	Sonal Tuli, MD
	1:15	The Role of Cultures, Sensitivity Testing, and When to Use Voriconazole*	Eduardo Alfonso, MD
		Update on Viral Keratitis	
	1:27	Current and Future Treatment of Adenoviral EKC	James Chodosh, MD
	1:34	When and Why Should My Patients Receive Vaccination Against Herpes Zoster Virus	Thomas Liesegang, MD
	1:41	Treatment and Prevention of Primary and Recurrent Herpes Simplex Keratitis	Todd Margolis, MD, PhD
		Controversies in Infectious Keratitis	
	1:48	Corticosteroids in Bacterial Keratitis: Yes or No?	Bennie Jeng, MD /span>
	1:55	The Future of Collagen Crosslinking in Infectious Keratitis*	Ashley Behrens, MD
	2:07	The Asia Cornea Society Infectious Keratitis Study (ACSIKS)*	Donald TH Tan, FRCS
	2:14	International Case Presentations and Discussion: What's Causing Infections Internationally?*	Prashant Garg, MD Jodhbir Mehta, MD Eung Kweon Kim, MD, PhD
	2:30	BREAK	
2:45-4:30 PM		Session IV: Video Pearls in Keratoplasty Surgery: You NEED to SEE This	Moderators: John A. Hovanesian, MD, Christopher J. Rapuano, MD
	2:45	Penetrating Keratoplasty	Woodford Van Meter, MD
	2:53	Penetrating Keratoplasty	Sophie Deng, MD, PhD
	3:01	Femtosecond Laser PK*	Shahzad Mian, MD
	3:09	Pediatric PK*	Kathryn A. Colby, MD, PhD
	3:17	Keratoprosthesis*	Anthony J. Aldave, MD
	3:30	Deep Anterior Lamellar Keratoplasty*	Luigi Fontana, MD, PhD
	3:38	Deep Anterior Lamellar Keratoplasty*	Sadeer B. Hannush, MD
	3:51	Descemet-Stripping Endothelial Keratoplasty	M. Bowes Hamill, MD
	3:59	Descemet-Stripping Endothelial Keratoplasty	Neda Shamie, MD
	4:07	Descemet Membrane Endothelial Keratoplasty*	Albert Jun, MD
	4:15	Descemet Membrane Endothelial Keratoplasty*	Thomas John, MD
