

Invitation

[Back to Top](#)

Dear Colleagues,

As chair of the Organizer – Milos Eye Hospital, it is my great pleasure to welcome you to the International Symposium Cornea – Insights and Updates, to be held in Belgrade, 11th April, 2014.

It is a privilege to plan this year's Symposium! There is a definite need to understand better the corneal disease, in a different way, knowing that corneal opacities still are, according to the WHO, among mayor causes of legal blindness around the world. Paradoxically, we are living in the times of dynamic explosion of new techniques in corneal surgery: lamellar transplantation, keratoprosthesis and artificial cornea, femto- and nano-technology, new imaging in detecting and treatment of ocular surface disease, collagen cross linking... all this with the aim of offering and delivering better and newer solutions in the treatment of corneal disease.

Our greatest challenge has been to keep the Symposium attractive, and therefore we invited renowned leading authorities on the topic, to deliver review lectures! We put together a Scientific Program to serve the needs of both general ophthalmologists and cornea and ocular surface disease specialists of all ages and experience. Majority of hot topics in cornea will be discussed in a total of 31 lectures, divided in three sections: Eye Banking, Artificial Cornea, and Surgery of the Cornea.

We have assembled an outstanding Faculty of internationally renowned experts and invited speakers, and we are grateful for their willingness to share their expertise. In this way, the experts' opinion, presented in a single day, will set the standards to be implemented in the ophthalmologists' daily routine, whenever treating corneal and ocular surface disease.

Again, we welcome you to Cornea Insights and Updates 2014, hoping you will find it educational and enjoyable.

Sincerely,

Prof. Zoran Kuljaca

Drage kolege,

Kao direktor Organizatora – Specijalne bolnice za oftalmologiju Miloš klinika, imam čast i zadovoljstvo da Vas pozovem da u petak, 11. aprila 2014., u hotelu Hyatt Regency u Beogradu, učestvujete u radu Međunarodnog simpozijuma – Savremeno o bolestima rožnjače!

Planiranje i organizacija ovog događaja, bilo je zadovoljstvo i privilegija. Ideju je inicirao podatak Svetske zdravstvene organizacije – da su zamućenja rožnjače još uvek jedan od glavnih uzroka slepila svuda u svetu... Razvoj i eksplozija novih terapija i tehnika u hirurgiji rožnjače – lamelarna keratoplastika, pojava femto i nanotehnologije, keratoproteze i veštačka rožnjača, kornealni kros linking, savremene tehnike u dijagnostici i tretmanu bolesti površine oka, doneli su i snažnu potrebu da se ova nova saznanja i ogromne mogućnosti koje danas postoje, pretoče i u nova, bolja rešenja i protokole u lečenju bolesti rožnjače.

Naučni program Simpozijuma je sačinjen kao odgovor izazovima svakodnevnog rada opštih oftalmologa, ali i onih sa više interesovanja za patologiju rožnjače i površine oka. Kroz 31 predavanje, u samo jednom danu, dotaknućemo i osvetliti mnoge važne probleme u ovoj oblasti, interaktivnim radom u tri sekcije: Novine u dijagnostici i lečenju bolesti rožnjače, Očne banke i veštačka rožnjača i Hirurgija rožnjače.

Zahvalni smo predavačima po pozivu, oftalmolozima izuzetnog renomea i znanja, što će ukazati čast događanju i podeliti svoje ekspertsko mišljenje sa auditorijumom. Jedino tako, na Simpozijumu će se postaviti vrhunski standardi u tretmanu bolesti rožnjače i površine oka, a na nama ostaje da oni što pre zažive u svakodnevnom radu.

Još jednom Vas pozivam da zajedno učinimo da Simpozijum bude izuzetan stručni ali i društveni događaj!

Prof. dr Zoran Kuljača

Symposium Program PDF Download

SCIENTIFIC PROGRAM

8:30 Welcome and Opening

Welcome note: *Prof. Zoran Kuljača*, Director, Milos Eye Hospital

Opening speech: *Prof. Jose L. Guel*, President, EUCORNEA

Prof. Magdalena Antova Velevska, President, SEEOS

Dr Daniela Selaru, Board Member, SEEOS

Prof. Dragan Veselinović, President, SAO

9:00 Keynote lecture: Jose L.Guel

09:10 Section I: DIAGNOSIS AND MANAGEMENT OF SELECTED CORNEAL DISEASE

Moderators: *Hose L.Guel, Milenko Stojković*

Panelist: *Gabor Hollo, Josef Frucht-Pery, Panagiotis Zafirakis*

9:10-9:22 Advances in anterior segment imaging and analysis - *Stephan Kaminski*

9:22-9:30 Current applications of clinical confocal microscopy - *Ljubiša Nikolić*

9:30-9:40 Epithelium measurement and healing - *Timothy Archer*

9:40-9:50 Important points around cornea in glaucoma management- *Gabor Hollo*

9:50-10:00 Dry eye disease: the scale of the problem - *Milenko Stojković*

10:00-10:15 Update on corneal infectious disease - *Josef Frucht-Pery*

10:15-10:25 PACK-CXL to treat corneal infections - *Farhad Hafezi*

10:25-10:37 Ocular surface inflammation (non infectious) - *Panagiotis Zafirakis*

10:37-10:45 Spotlights on Fuchs corneal dystrophy - *Siniša Avramović*

- 10:45-10:53** Iatrogenic corneal disease - *Miroslav Vukosavljević*
- 10:53-11:01** New approach to the classifications of neonatal corneal opacities - *Miloš Jovanović*
- 11:01-11:09** Updates on contact lenses - *Valentina Milovanović*
- 11:09-11:17** Corneal manifestations on systemic disease - *Gordana Zlatanović*
- 11:17-11:25** Therapeutic algorithm of recurrent corneal erosion - *Biljana Miloško*
- 11:25-11:35** Panel discussion
- 11:35-11:55** Refreshment break

11:55 Section II: EYE BANKING AND ARTIFICIAL CORNEA

Moderators: *Diego Ponzin, Iva Dekaris*

Panelists: *Stephan Kaminski, May Griffith, Nada Radović*

- 11:55-12:05** Structure and function of the eye bank - *Diego Ponzin*
- 12:05-12:13** Medical standards for and in eye banking - *Nada Radović*
- 12:13-12:25** Boston keratoprosthesis – IMO long term experience - *Jose Guel*
- 12:25-12:35** Stable corneal regeneration at four years after implantation with a biosynthetic implant - *May Griffith*
- 12:35-12:45** Panel discussion
- 12:45-13:30** Lunch

13:30 Section III: SURGERY OF THE CORNEA

Moderators: *Massimo Busin, Vladimir Pfeifer*

Panelist: *Bruce Allan, Vikentia Katsanevaki, Farhad Hafezi*

- 13:30-13:42** Hot topics – corneal collagen cross linking - *Ferhad Hafezi*
- 13:42-13:54** Current treatment options for corneal ectasia - *Stephan Kaminski*
- 13:54-14:04** Targeted corneal transplantation - *Vladimir Pfeifer*
- 14:04-14:16** Anterior and posterior lamellar keratoplasty - *Massimo Busin*
- 14:16-14:26** What is better: DSAEK or DMEK? - *Iva Dekaris*
- 14:26-14:38** Various types of big bubbles during DALK, based on Dua's layer - *Tarek Katamish*
- 14:38-14:46** Refractive surgery after corneal transplant - *Mirko Jankov*
- 14:46-14:54** Corneal complications after refractive surgery - *Katarina Misailović*
- 14:54-15:02** Selected complications after keratoplasty - *Zora Ignjatović*
- 15:02-15:14** Surgery for severe corneal and ocular disease - *Panaiotis Zafirakis*
- 15:14-15:26** Femtosecond laser applications in corneal surgery - *Bruce Allan*
- 15:26-15:38** Phototherapeutic keratectomy-candidates and treatment - *Vikentia Katsanevaki*
- 15:38-15:50** Intrastromal corneal inlays - *Bruce Allan*
- 15:50-16:00** Cornea and vitreoretinal surgery - *Zoran Tomić*
- 16:00-16:12** Anterior segment reconstruction following trauma - *Ferenc Kuhn*
- 16:12-16:25** Panel discussion
- 16:25-16:35** Closing remarks – **Massimo Busin**
- 16:35-16:50** Cocktail

Medjunarodni simpozijum – Savremeno o bolestima rožnjače**Naučni program****8:30 Dobrodošlica i otvaranje Simpozijuma**

Pozdrav dobrodošlice: Prof. dr Zoran Kuljača, Direktor, Miloš klinika

Svečano otvaranje: Prof. Jose L. Guel, Predsednik, EUCORNEA

Prof. Magdalena Antova Velevska, Predsednik, SEEOS

Dr Daniela Selaru, SEEOS Board

Prof. dr Dragan Veselinović, Predsednik, Udruženje oftalmologa Srbije

9:00 Uvodno predavanje: Jose L.Guel**09:10 Sekcija I: DIJAGNOZA I LEČENJE BOLESTI ROŽNJAČE**

Moderatori: *Hose L.Guel, Milenko Stojković*

Panelisti: *Gabor Hollo, Josef Frucht-Pery, Panagiotis Zafirakis*

9:10-9:22 Novine i dostignuća kroz imaging rožnjače – *Stephan Kaminski*

9:22-9:30 Savremena primena klinicke konfokalne mikroskopije – *Ljubiša Nikolić*

9:30-9:40 Zarastanje i merenja epitela – *Timothy Archer*

9:40-9:50 Značaj rožnjače kod dijagnoze i lečenja glaukomne bolesti – *Gabor Hollo*

9:50-10:00 Sindrom suvog oka – važnost problema – *Milenko Stojković*

10:00-10:15 Savremeno o infektivnim bolestima rožnjače – *Josef Frucht-Pery*

10:15-10:25 PACK-CXL u terapiji infekcija rožnjače – *Farhad Hafezi*

10:25-10:37 Neinfektivna zapaljenja rožnjače i površine oka – *Panagiotis Zafirakis*

10:37-10:45 Važni momenti kod Fuchs-ove distrofije – *Siniša Avramović*

10:45-10:53 Iatrogenic corneal disease – *Miroslav Vukosavljević*

10:53-11:01 Novi pristup u klasifikaciji neonatalnih zamućenja rožnjače – *Miloš Jovanović*

11:01-11:09 Savremeno u kontaktnim sočivima – klinički značaj – *Valentina Milovanović*

11:09-11:17 Kornealne manifestacije sistemskih bolesti – *Gordana Zlatanović*

11:17-11:25 Terapijski algoritam rekurentnih erozija rožnjače – *Biljana Miloško*

11:25-11:35 Panel

11:35-11:55 Kafe pauza

11:55 Sekcija II: OČNE BANKE – VEŠTAČKA ROŽNJAČA

Moderator: *Diego Ponzin, Iva Dekaris*

Panelisti: *Stephan Kaminski, May Grffith, Nada Radović*

11:55-12:05 Očna banka – system i funkcija – *Diego Ponzin*

12:05-12:13 Medicinski standardi za i u funkciji očne banke – *Nada Radović*

12:13-12:25 Boston keratoproteza – višegodišnje iskustvo, IMO – *Jose Guel*

12:25-12:35 Biosintetski implant i regeneracija rožnjače – stabilnost posle četiri godine – *May Griffith*

12:35-12:45 Panel

12:45-13:30 Pauza za ručak

13:30 Sekcija III: HIRURGIJA ROŽNJAČE

Moderator: *Massimo Busin, Vladimir Pfeifer*

Panelisti: *Bruce Allan, Vikentia Katsanevaki, Farhad Hafezi*

13:30-13:42 Kolagen cross linking - *Ferhad Hafezi*

13:42-13:54 Savremene mogućnosti u lečenju kornealnih ektazija - *Stephan Kaminski*

13:54-14:04 Target transplantacije rožnjače - *Vladimir Pfeifer*

14:04-14:16 Lamelarna keratoplastika – prednja i zadnja - *Massimo Busin*

14:16-14:26 Šta je bolje: DSAEK ili DMEK? - *Iva Dekaris*

14:26-14:38 DALK – razlike u “big bubbles” u odnosu na Dua sloj - *Tarek Katamish*

14:38-14:46 Refraktivna hirurgija posle transplantacije rožnjače - *Mirko Jankov*

14:46-14:54 Kornealne komplikacije posle refraktivne hirurgije - *Katarina Misailović*

14:54-15:02 Komplikacije posle keratoplastike - *Zora Ignjatović*

15:02-15:14 Hirurško lečenje kompleksnih bolesti rožnjače i površine oka - *Panaiotis Zafirakis*

[Invitation](#) - [Program](#) **[Bruce Allan Speakers](#)** [Sponsors](#) [Registration](#) [General Info](#) [Contact](#)

15:26-15:38 Fototerapijska keratektomija – kandidati i tretman - *Vikentia Katsanevaki*

15:38-15:50 Intrastrimalni kornealni implantati - *Bruce Allan*

15:50-16:00 Rožnjača i vitreoretinalna hirurgija – *Zoran Tomić*

16:00-16:12 Rekonstrukcija prednjeg segmenta posle traume - *Ferenc Kuhn*

16:12-16:25 Panel

16:25-16:35 Završna reč – **Massimo Busin**

16:35-16:50 Koktel

Target audience:

Ophthalmologists, and ophthalmologists – in training.

Scientific Committee:

Miloš Eye Hospital, Belgrade, under auspices of:

Europaen Society of Cornea and Ocular Surface Disease (EUCORNEA),

South-East European Ophthalmological Society (SEEOS),

Serbian Association of Ophthalmologists.

Organizing Committee:

Secretariat – Miloš Eye Hospital, 25, Radoslava Grujića, Belgrade 11 000, Serbia

Miloš Eye Hospital

Phone/Fax: (+381 11) 243 7503, 245 5759, 246 2571.

E-mail: bata.bogunovic@milosklinika.com | info@milosklinika.com

Official language:

English, Serbian. Simultaneous translation will be held.

Registration:

On line: **REGISTRATION**

By mail: Registration Form, is enclosed to the Symposium Program book, also available on-line.

On site: On Friday, April 11th, from 7.00 – 9.00 am, Hyatt Hotel Regency.

Early registration: on line until March 10th is preferable and recommended, for the limited capacity of Symposium venue. The complete Symposium material is guaranteed to preregistered delegates.

Owing to kindness and efforts of the Organizer and sponsors, registration for delegates is free of charge. Certificate of Attendance will be issued and delivered upon the end of Symposium Scientific Program. CME Accreditation application for this is made to the European Accreditation Council for Continual Medical Education (EACCME) and Health Council of Serbia.

Social Program:

On Thursday, April 10th, at 8.30 pm, The Welcome Reception followed by Concert of **Viva Vox Choir**, will take place at City Hall, Old Court Palace, 6 Trg Nikole Pasica, Belgrade.

The Organizer is pleased to invite speakers, delegates and educational partners to the Symposium Dinner, that will take place on Friday 11th, April, at Kalemegdanska terasa restaurant, Mali Kalemegdan bb, Belgrade. Entrance tickets for dinner will be available on Thursday – Friday, at the Welcome Desk, Symposium venue, for preregistered delegates only. Confirmation of attendance: on line /mail through Registration Form, or by email: **bata.bogunovic@milosklinika.com**

Accommodation:

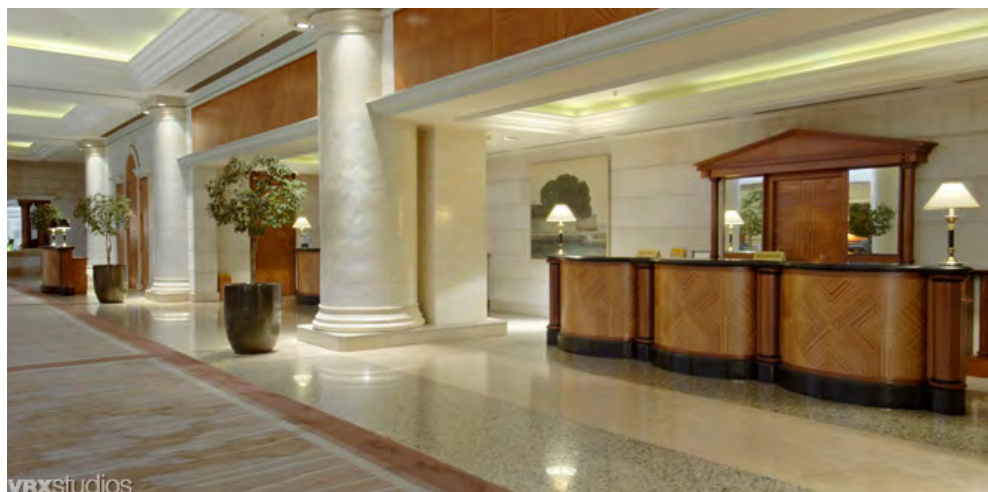

For the Symposium delegates special rates are negotiated at **Hyatt Regency Hotel (Reservation Form for symposium participants)**, **Crown Plaza Belgrade (Reservation Form for symposium participants)**, **Hotel Crystal**, **Hotel Zira** and **88 Rooms Hotel**. You may secure housing on line directly to the hotel of preference by following the link to the desired hotel above. Valet parking on site is arranged by Hyatt Regency Hotel.

Travel:

At participants' convenience. Transportation / Accommodation / Car rental assistance / Customized city tours /Airport transfers: **HRG Serbia and Montenegro**, 4 Cubrina, Tel / (+ 381) 11 303 6031, Contact: Ms. Natasa Pavlovic: **natasap@rs.hrgworldwide.com**

OPŠTE INFORMACIJE

Stručni pokrovitelji:

Europaen Society of Cornea and Ocular Surface Disease (EUCORNEA),
South-East European Ophthalmological Society (SEEOS),
Udruženje oftalmologa Srbije.

**Organizing Committee:**

Miloš klinika – Specijalna bolnica za oftalmologiju, Beograd,

Miloš Klinika

Phone/Fax: (+381 11) 243 7503, 245 5759, 246 2571.

E-mail: bata.bogunovic@milosklinika.com | info@milosklinika.com

Sastanak je organizovan za oftalmologe i doktore na specijalizaciji iz oftalmologije.

Zvanični jezik:

Srpski i engleski, simultani prevod predavanja i diskusija je obezbedjen.

Registracija:

Poželjna je rana registracija, zaključno sa 10 .03. 2014. godine, putem on line formulara: **REGISTRATION**

ili poštom, slanjem Registracionog formulara. Na dan Simpozijuma, 11. 04. 2014. godine, u hotelu Regency Hyatt, registracija je moguća isključivo u terminu 07:00 – 09:00.

Broj učesnika je ograničen kapacitetima dvorane. Za ranije registrovane učesnike, obezbeđen je kompletan materijal Simpozijuma.

Ljubaznošću i naporima organizatora i edukacionih partnera, učesnici sastanka su oslobođeni kotizacije. Sertifikati ucesca u radu Simpozijuma biće uručeni registrovanim delegatima 11. 04. 2014. godine, po završetku stručnog dela sastanka. Proces akreditacije programa Simpozijuma, prema Pravilniku o kontinuiranoj medicinskoj edukaciji pri Zdravstvenom savetu Srbije i pri European Accreditation Council for Continual Medical Education (EACMCME – UEMS) je u postupku.

Društveni program:

Prijem dobrodošlice uz koncert Hora **Viva Vox Choir** iz Beograda, za predavače, edukacione partnere, stručne saradnike i prijatelje Miloš klinike, održaće se u četvrtak, 10. 04. 2014. godine, u 20.30, u Svečanoj sali Skupštine Beograda, Stari dvor, Trg Nikole Pašića 6, Beograd.

Miloš klinika – Specijalna bolnica za oftalmologiju, Beograd, organizuje Gala večeru za predavače, delegate i edukacione partnere, u petak 11. 04. 2014. godine u 18:30, u restoranu Kalemegdanska terasa, Mali Kalemgdan bb, Beograd.

Molimo za potvrdu interesovanja i dolaska: on line -preko Registracionog formulara ili putem e-maila

/ bata.bogunovic@milosklinika.com. Ulaznice za večeru, za predhodno registrovane goste, biće dostupne dan pre i na sam dan događanja, na Welcome desk-u, Hyatt Regency Hotel.

Smeštaj:

Za učesnike Simpozijuma, obezbeđeni su posebni uslovi boravka u sledećim hotelima: **Hyatt Regency Hotel (Rezervacioni formular za učesnike simpozijuma), Crown Plaza Belgrade (Rezervacioni formular za učesnike simpozijuma), Hotel Crystal, Hotel Zira i 88 Rooms Hotel.**

Dodatne informacije i direktna rezervacija smeštaja u navedenim hotelima, moguća je otvaranjem linkova hotela iznad direktno preko sajta izabranog hotela. Na dan Simpozijuma, parking je u organizaciji Regency Hyatt Hotel, Beograd.

Putovanje:

Individualni aranžman učesnika. Pomoć i informacije/ smeštaj / rent a car / transfer do aerodroma / obilazak:

HRG Serbia and Montenegro,

Čubrina 4, Tel.: (+ 381 11) 303 6031, kontakt: Nataša Pavlović, natasap@rs.hrgworldwide.com
