Programme

Lectures run consecutively throughout each session.

There are notes pages in this programme, for your reference and observations.

The Bron Award Presentations form part of the programme. Please read through the poster submissions which are printed in this programme and in the poster displays, in the registration area.

Please follow the house-keeping guidelines and keep all mobile phones on silent in the lecture theatre.

CPD

The MCLOSA 22nd Annual Meeting is recognised for 7 CPD credits, by The Royal College of Ophthalmology, for full attendance.
