WORD OF WELCOME

Elias Chelala MD

President of LOS
President of the Congress

Dear Colleagues,

It is my privilege and pleasure to invite you to attend the 24th annual meeting of the Lebanese Ophthalmological Society that is held at the Phoenicia Hotel, Beirut-Lebanon on May 27-28, 2016.

The congress will address major topics and discuss the latest updates and advances in our specialty contributing to promote clinical practice and quality of care. Distinguished physicians and reputable speakers will join to share their knowledge and expertise with us.

The congress program is broad and will discuss themes from different aspects in Ophthalmology as Anterior Segment, Refractive Surgery, Imaging, Uveitis and updates on Presbyopia.
